ATM safety tips

- Be aware of your surroundings at ATMs. If you notice anyone or anything suspicious or unsafe when you approach an ATM, use another ATM or return later.
- At enclosed ATMs, close the door completely. Do not open the door while you are making your transaction.
- When you use a drive-up ATM, be sure passenger windows are closed and doors are locked.
- If you must use an ATM at night, consider taking someone with you.
- Always protect your card by keeping it in a safe place. If your card is lost or stolen, contact us immediately.
- Be discreet when entering your PIN at the keypad. After completing your transaction, carefully put away your card, cash and receipt before leaving the ATM area.
- Never give your PIN to anyone and never write it anywhere, especially on your card.
- Never give information about your card or PIN over the telephone. If someone is asking for this information, refuse and immediately contact us.
- Call 911 if you need emergency assistance. Immediately contact your local police if you experience or suspect a crime related to your account. If you have a concern about security at a Bank of America ATM, please call us at 1.800.222.7511.

Special transactions

Gas stations – Paying at the pump may cause a hold of up to \$100; consider paying inside, saying how much you want to purchase, and signing the receipt.

Restaurants – Restaurants may verify you have enough in your account for the bill. Make sure you have enough funds to cover any added tip.

Hotels – The hotel may hold the amount of your estimated bill, making that amount unavailable for other purchases. When you check out, the hold may take a few days to be removed.

Auto rentals – You may use your card for final payment for a rental car, but a credit card may be necessary to reserve a rental car.

Returns – Store return policies vary. You may receive a credit to your account or a store credit. A credit to your account may take a week to process before funds are available for use.
